### Through Service, Advocacy, and Education

### District 3 Biennium Goals for 2018-2020

#### We Empower Women

##### Goal 1

We maximize our impact through service and advocacy initiatives and educational programs that empower women and girls.

##### Goal 2

We strengthen our resources to support our mission.

##### Goal 3

We enhance our profile around the world through our centennial anniversary activities

**Goal 1:** Service, Advocacy, Education Zonta's service, advocacy, and education programs will empower women and girls.

#### Service and Advocacy

- District 3 supports our centennial anniversary biennium with its major international project in Ending Child Marriage. District 3 and Clubs devote time to share information about early child marriages both locally and internationally and create awareness among our members.
- Our District 3 and Clubs further develop the Zonta Says NO advocacy projects with at least 3 clubs to deliver an action to oppose child marriage.
- District 3 and clubs will collaborate with two like-minded organizations to enhance our effectiveness in empowering women and girls. Clubs also will collaborate with like-minded organizations.
- District 3 supports International Service Programs with UN agency partners to fulfill our objectives
  - Clubs devote time to share information and updates about the ZI service projects in Madagascar (An Integrated Program for Adolescent Girls) and Eid bi Eid (Hand in Hand) Jordan
  - Clubs devote time to share information and updates to the project of Ending Child Marriage: A Program to Accelerate Global Action.
- Clubs become more educated about how to empower women and girls and join forces with others (including other District 3 clubs) in appropriate service and advocacy projects.
  - Clubs will collaborate with like-minded organizations to enhance our effectiveness in empowering women and girls.
  - We work to achieve gender equality and empower all women and girls.

#### Education

- District 3 and Clubs will implement the pilot Women in Technology Scholarship program that encourages women to pursue a leadership role in technology, a field that will impact the next generation of women.
