FROM THE DESK OF THE GOVERNOR

Dear District 3 Zontians:

Happy Summertime to you!

My favorite time of the year is here with visions of family time and relaxing! It hardly seems possible that we are halfway through the biennium. But... we still have plenty to do to reach our goals.

I hope that you will think about arranging/attending planning meetings for your clubs during the summer. It's a fresh start and having that plan to keep you on track is imperative. Think about including a retreat for members to make it fun and productive. Don't forget that your new members need this as much as the seasoned members.

There is plenty of work happening now on the 2017 District 3 Fall Conference. On page 8 you will find a direct link to register for your room at the Hilton Wilmington/Christiana by September 15. The Call to Conference will be sent to you by the end of July with a proposed agenda so that you can make plans on when to arrive. On Friday afternoon Club Presidents are invited to gather with the D3 Board for a celebratory toast before we start our first business session. The agenda continues to evolve into a wonderful weekend and I want you to attend.

Thank you for taking the time to read this newsletter.

JANE M. KLAUSMAN WOMEN IN BUSINESS SCHOLARSHIP - Mary-Helen Risler

Promotional materials and the application for the 2017 Jane M Klausman Scholarships are available from the ZI website.

Each club is encouraged to participate by evaluating the applications from students in your club's geographic area--your club does not need to offer its own monetary award to "participate". Each club sets its own deadline to ensure that the club's submission will be forwarded to the District by the July 1, 2017 deadline.

Students who reside/attend school in an area without a participating club are instructed by ZI to contact the closest club for consideration or alternatively to submit an application directly to the District for evaluation during the District evaluation process. If your club chooses to not evaluate applications, please forward any inquiries to mhrzonta@atlanticbb.net and/or instruct the interested student to submit a completed application by the deadline below.

The application deadline is July 1, 2017. Applications must be mailed or emailed no later than July 1 to Mary-Helen Risler at mhrzonta@atlanticbb.net or 907 Chesapeake Dr. Stevensville MD 21666.

MEMBERSHIP CORNER - Joanne Gallos

At the end of May this year, our District had 572 members toward our goal of 582. Kudos to **Trenton/Mercer** for adding eight members to their club. However, renewals for the coming year have depleted that number to 515. We really need to do our GMD (Global Membership Drive).

Area 1 Peconic Bay welcomed two new club members: Christine Killorin and Diane Loffredo, but still remain at nine since two members left. Deborah and Ruth Ann are leaving the **Suffolk County** club and joining the Long Island club until they can be in our first E Club.

Area 2 South Ocean County is getting Maria Todaro, who is transferring from **Harrisburg-Hershey**.

Morristown is getting Judith Fulton, who is starting the NW New Jersey club as a transfer from Colorado.

Area 3 Annapolis held a ZING and just recruited three new members.

Area 4 Fairfax held a ZING member and guest brunch. Six guests attended. **Washington DC** had a new membership tea with three new potential members. **Charles County** plans to induct 10 new members. **Arlington** held "A Morning For Me" seminar, but no immediate new members. **Arlington, Prince William, Fairfax, and Hampton Roads** are trying to find new members and keep current members actively involved. This is a challenge to all our clubs.

NW New Jersey in Formation – Judith Fulton currently has nine members and she personally is transferring from her Colorado club to the **Morristown** club while working on the formation of the new club.

Membership Grants – received only one official report so far from **Arlington**. Due date was May 31.

Arlington had membership brochures made that were handed out with a Zonta Rose pad and a pen at their Women's Seminar, called "A Morning for Me".

Annapolis - recruited three new members.

Frederick - added one new member.

Charles County - added ten new members.

Howard County - added one new member.

Harrisburg-Hershey - added one new member.

Prince George's County - added four new members and one reinstated member.

Greater Queens - added three new members.

Thank you all for your hard work. Please call on me to help any time.

Warmly,
Joanne Gallos

Zonta District 3 Lt. Governor

FROM THE DESK OF THE LT. GOVERNOR - Joanne Gallos

What's GMD? Everyone who attended the Area Spring Workshops are now aware of the ZI challenge to the clubs for the Global Membership Drive. Materials are now available on the ZI website.

The ZI Webinar with UNICEF was excellent. Lisa Bender, UNICEF Education Specialist, is leading a "LET US LEARN" drive to establish an education fever. In poverty stricken countries the quality of life and learning is further behind. This is due to a mixed progress of more people and more crisis. There are 263 million children out of school, mainly girls. Over 15 million girls never attend primary school so can neither read nor write. Statistically it is proven that those who get a secondary education have a 25% increase in earnings for life. Madagascar, which is one of our ZI projects "Let Us Learn Madagascar" to educate girls is the worst. The country has gone backwards due to both corruption and climate problems of flooding. Water sanitation and hygiene are important and a core part of UNICEF programs. The New Global Reality is that the world and workforce are changing. Africa has the least amount of skills, and there is a real learning crisis. The GAP, Gender Action Plan is to promote learning. 69 million need to go to secondary school but are not. Some gender based violence is by teachers, so young girls are used for labor instead. Again Madagascar is the worst for gender violence health. Of 10 girls, only 4 complete primary, 2 complete secondary, and 1 completes higher education. 600 households receive money to cover 18 thousand children. The money is given to Mothers to use for furthering the family.

Education is THE investment. ZI has worked with UNICEF for 40 years. We want to achieve gender equality and education for all women and girls. We gave 4 million this year to the UN. where 1 million goes to UNICEF for education in Madagascar.

This quarter I attended the CSW in New York, the NAIDM in Washington, participated in stuffing 150 bags to Women in Prison and planting a garden at the Navy and Marine Corps stadium, attended and presented the GMD at both Spring Workshops, attended the 10th Anniversary of Women's Health and Education at the Lowes Legislative building, attended the Washington DC club new membership tea, and the special Memorial Service for longtime Zonta member, Carol Beaver, attended "Chrysalis House in Full Bloom", a women's addiction home and our quarterly District Board meeting.

Warmly to all of you,

Joanne Gallos

Zonta District 3 Lt. Governor

It's been a busy and productive Spring for Area 1 Zonta clubs.

Zonta Club of **Peconic Bay** hosted a "Paint and Sip" fundraiser in March and they are planning a yard sale fundraiser for June 3rd in Hampton Bays. The club's scholarship committee is currently reviewing applications for their \$300 scholarship, which they give twice per year to successful English as a Second Language (ESL) female students at the eastern campus of Suffolk County Community College. Peconic Bay has also welcomed two new club members: Christine Killorin and Diane Loffredo.

March 18th was the clubs annual birthing kit assembly day and they put together over 450 kits for a 5-year total of over 2,200 kits sent to Haiti and Africa!

In March, the **New Rochelle** club celebrated Women's History Month by partnering once again with the Friends of the New Rochelle Public Library in presenting the Extraordinary Women Films Series. On April 27th, they hosted a tour and career discussion at the Fashion Art Studio. In partnership with The Guidance Center, a group of New Rochelle High School students took a tour of the Fashion Art Studio in Portchester. Club member, Ying Su explained the steps involved in getting a concept from paper to the runway. President of **New Rochelle**, Lisa Burton and Area One Director Suzanne Scalcione attended NYSCADV Day of Action/Advocacy up in Albany on May 8th.

Zonta Club of **Greater Queens** hosted their Woman of the Year honoring two women, Alane Fagin, Executive Director of Child Abuse Preventive Services and Jacqueline Gagliano, Licensed Psychotherapist Certified Board Diplomate. The women were honored for their contributions for the safety and wellbeing of women and children. We welcome Susan Van Caesele who will be installed as president of the Zonta Club of **Suffolk** at their May 31st meeting. The Suffolk club has been active with Madonna Heights, a school for girls. They have offered workshops on goal setting, job interviewing and drug addiction. Zonta of Westchester has been actively donating clothes for "My Sister's Place", a safe shelter for women and children in domestic violence situations.

Westchester is also in partnership with the Kensington Nursing Home in White plains and hosted an educational workshop on "Managing the Gift of Longevity". Recently, the club was honored to present their YWPA award to an extraordinary young woman from Larchmont NY, Sophia Danziger who is a leader with Dress for Success and FBLA (Future Business Leaders of America). In February, the Zonta Club of **New York City** had a personal tour of The Dinner Party an important icon of 1970's feminism in art at the Brooklyn Museum. ZCNY was honored to host over 80 fellow Zontians from all over the world at their March dinner during the 61st session of the Commission on the Status of Women (CSW61). Special honoree Zonta International President Sonja Honig Schough and former NGO Liaison at the US Embassy in New York Peggy Kerry spoke at the event. ZCNY continues to be active in PowHer and Cities for CEDAW and in April participated in Equal Pay Day at City Hall and held a Spring Fling dinner. The club is now looking forward to hearing from Sharon Crean of Beyond Water in May and YWPA and Amelia Earhart award winners at their June dinner meeting. They are also excited to welcome a new member Martina Ghussion and to acknowledge Frances Bauer's 60th year as a Zontian.

SPOTLIGHT ON AREA 2 - Pamela Morgan

The late spring is truly the season of giving for Zonta Clubs in District 3 Area 2! Providing scholarships to local women and support to local women oriented service organizations are annual practices for many of our clubs, and the Zonta Clubs of **Northern Valley** and **Trenton/Mercer** are outstanding examples of this practice. The **Northern Valley** Club hosts a number of moderately sized events throughout the year to allow them to raise the funds necessary to support their philanthropy. Fundraisers including their Paint and Sip activities, bus trips to Bethlehem, PA., Beefsteak dinner, and their RaveWalk allow them to provide over \$12,000 to worthy individuals and organizations, including the Zonta Foundation. This year two single mother received scholarships of \$1,500 each to assist them as they continue their college education. The Women's Rights Information Center, the Center for Hope and Safety, the York St. Project, the Center for Food Action and the Healing Space were all recipients of the generosity of the Zonta Club of Northern Valley. The Zonta Club of **Trenton/Mercer** hosted one major fundraising event, the Gourmet Garden, which allowed them to provide over \$14,000 in donations to various individuals and organizations, including the Zonta Foundation. For their Day of the Family celebration which is hosted in conjunction with the Mercer County Commission on the Status of Women, approximately 20 children from throughout their geographical region won \$25 Barnes and Noble gift certificates for their winning essays. In addition to scholarships, they also provide financial support to the Rescue Mission, the NJ Coalition Against Domestic Violence and the Salvation Army, all of which support women and girls in the Mercer County region. These two clubs certainly serve as beacons for fundraising and philanthropy in Area 2!

The Zonta Club of **Essex** County will host their annual scholarship dinner on June 12th where they will provide three scholarships to area high school girls. The Zonta Club of **Southern Ocean County** continues to provide support to local shelters, and to The HEAAT Foundation to continue the fight against human trafficking. The Zonta Club of **Ringwood** continues their work in raising funds to support local individuals and organizations.

The **Morristown** Club was forced to cancel their major fund raiser due to illness. There will be a May 30th conference call for Area 2 presidents and fund raising chairs so all clubs can share their fund raising activities, and learn from each other as to ways to make their fund raising efforts more lucrative.

It is with extreme sadness that I report the passing of two veteran Zontians. **Geraldine Sims**, longtime member of the Zonta Club of Essex County passed away March 14th after an extended illness. **Barbara Albanese**, secretary of the Zonta Club of Morristown passed away on May 9th. On behalf of all Area 2 Zontians, we offer our deepest condolences to the bereaved families and club members.

NORTH AMERICAN INTER-DISTRICT MEETING - Judy Johnston

The North American Inter-District Meeting's evaluations were tabulated and the results were that the 2017 NAIDM was considered the best ever. The Capitol Hill trip resulted in 140 Zontians visiting their Senators and Representatives offices, advocating for the Equal Rights Amendment and the Campus Accountability Act; and providing those Zontians information on how to follow-up with their Congressmen in their home offices. The Saturday lunch speaker, Pat Wirth, Executive Director of the Turning Point Suffragist Memorial, shared stories of what women endured in their fight for the vote; and dinner speaker, Sophia Kruz, award winning documentary filmmaker of "Little Stones", showed us segments of the video concerning violence against women. The workshops were well presented and well attended, and Zontians went home equipped with new ideas and information to make their clubs more effective. Mark your calendars for the next North American Inter-District Meeting in 2019 in Dallas, Texas.

Judy Johnston

Chairman, North American Inter-District Meeting 2017

SPOTLIGHT ON AREA 4 - Carol Beechler

Washington DC Club – The major event for this club was the very sad loss of their senior member, Carol Beaver. Their March 1st dinner meeting was a “Remembrance of Carol Beaver”. They are also planning an Orientation and Prospective Member’s Tea on March 12th.

Hampton Roads - In celebration of Amelia Earhart month, club members went to see the movie “Hidden Figures”. Eight (out of 14) members plus spouses and significant others attended. This was a fun event to do in place of their monthly dinner meeting.

The **Arlington Club** has been active with service projects this winter, Doorways and the Arlington Food Assistance Community including AFAC’s Empty Bowls fundraiser. The Club is embarking on a new fundraising (and membership) effort with its “A Morning for Me!” Seminar on March 18th.

The **Prince William** club also celebrated Amelia Earhart month by attending the movie, “Hidden Figures”. February’s meeting had them putting together personal care bags with donated travel size products to donate them to local charities in need.

The **Fairfax** club held a screening of the movie, “SOLD” in conjunction with George Mason University. The event was free and intended to educate the public on the epidemic of human trafficking and also to share club information for possible new members. 60 people attended and several requested additional information on the club.

The **Charles County** club is gearing up for their next Service Project. They have sent out service project parameters to approximately 75 non-profits in the Southern Maryland area and are awaiting proposals. They have 11 prospective new members.

Prince Georges County hosted at their February meeting Dr. Regina Hampton, a prominent breast surgeon who spoke about breast care and what to expect if you develop breast cancer.

EQUAL PAY DAY - Leslie Wright

It’s Equal Pay Day. Here’s How the United States Stacks Up.

Today, women in the United States have finally caught up with what their male counterparts earned last year—based on the gap between male and female median earners working full-time, year-round. Women in other countries often also face wage gaps, but as seen in the Center for American Progress’ [analysis of international approaches to the wage gap](#), the United States is falling behind both in policies to address discrimination and in work-family policies.

[Share our interactive map on international approaches to the wage gap.](#)

As seen in the interactive map, other developed nations are embracing work-family supports, discrimination protections, gender-responsive budgeting, caregiver credits, and data collection—all of which are key ways to reduce the pay gap working women face and ensure that families have a shot at economic security.

In addition, according to a [CAP analysis out earlier this week](#), pursuing equal pay is one of the most promising avenues to economic growth. Economist Kate Bahn found that increased earnings for women workers are more likely to lead to economic growth than are tax cuts for wealthy Americans.

TREASURER'S LEDGER - Rosa Goldsmith

Filing Form 990, Return of Organization Exempt from Income Tax

Zonta International's fiscal year 2017 ended on May 31, which means Zonta clubs need to get their books audited or reviewed by an individual independent of the club board and file their Form 990 return with the IRS by October 15, 2017.

All clubs in the US are established as tax exempt, 501(c)4 organizations and therefore, must file a tax return in order to maintain their tax-exempt status. A club can lose its tax-exempt status if it does not file the Form 990 for three consecutive years.

The process for filing varies depending on the total gross revenue dollar amount to be reported for your club, less than or greater than \$50,000. Clubs have the following options:

- If the dollar amount is less than \$50,000, then the club should file Form 990-N, Electronic Notice (e-Postcard). There is no paper form.
- If the dollar amount is more than \$50,000, then the club can file as part of the Zonta International Group filing.
- Another option if the dollar amount is more than \$50,000 is to submit a Form-990 or Form-990EZ directly to the IRS.

If your club has established a 501(c)3 foundation or changed its charter to a 501(c)3 charitable organization, a Form 990 return still needs to be filed with the IRS.
