Zonta HoCo Scholarships

The Zonta Club of Howard County (<http://www.zontahoward.org/>) supports three scholarships: The Young Women in Public Affairs Award, the Jane M. Klausman Women in Business Scholarship, and the Women in Technology Scholarship.

The “Young Women in Public Affairs Award”, recognizes young women, ages 16-19, who demonstrate superior leadership skills and a commitment to public service and civic causes, and encourages them to continue their participation in public and political life.

The Jane M. Klausman Women in Business Scholarship is awarded to an undergraduate or graduate student studying business or a related field.

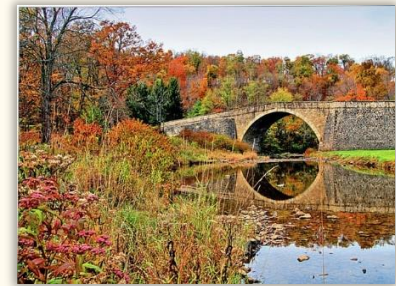

The newest scholarship is the Women in Technology Scholarship and is awarded to a woman studying Information Technology or a related field. Women are under-represented in the all areas in the new digitized world. Usually these are high paying occupations. In addition, women in the technology area are under-represented at the manager and leadership positions.

Please consider making a donation to the Zonta Club of Howard County if you cannot attend the trip.
