ZONTA is about...

Empowering Women Locally and Globally!

The **Zonta Club of Greater Queens** is a local chapter of Zonta International. Our mission is to advance the status of women, girls and their families through service and advocacy, locally and globally. Service funds are raised through annual events, donations, and grants, and then donated to assist local organizations, including Child Abuse Prevention Services of Long Island and SAVI (Mount Sinai Sexual Assault and Violence Intervention Program). We also support crucial international organizations, such as UNICEF, UN Women and CARE International.
